The economic impact of Sanford in Sheldon is beyond measure. In addition to providing quality, comprehensive health care that is delivered locally, Sanford Sheldon is at the core of almost every aspect of our community.

They are active in economic development initiatives, community daycare services, serving on local boards, providing financial assistance to various organizations and working with our community college to develop health care-related programs just to name a few items.

In reality, Sanford IS the heartbeat of Sheldon.

Barry W. Whitsell
