This study was conducted utilizing IMPLAN, a nationally recognized economic impact modeling system based on 2019 data to calculate the 2020 impact from Sanford operations in North Dakota, South Dakota, Minnesota and Iowa. The methodology estimates economic relationships between industries, households and government.

351-416-206 REV 12/21

NORTH DAKOTA

Sanford has proven time and time again that they're committed to our community — and that shows.
