

SANFORD USD MEDICAL CENTER

Postgraduate Year One Pharmacy Residency

****NEW** PGY1 Pharmacy Residency – Pediatric Track**

Beginning residency year 2023-2024, our program is excited to announce the offering of a pediatric-track position in our PGY1 pharmacy residency.

Sanford Children’s Hospital provides expert pediatric specialty care, offering a welcoming, vibrant place of healing for children. Sanford Children’s Hospital consists of a 76-bed pediatric inpatient unit, 12-bed pediatric intensive care unit (PICU), and the region’s only Level IV 58-bed neonatal intensive care unit (NICU).

As an academic medical center, Sanford Children’s Hospital is also home to USD Sanford School of Medicine’s Pediatric Medical Residency Program. Pharmacy residents will find themselves working collaboratively with the interdisciplinary team in an environment devoted to learning and providing excellent patient care.

Program Structure:
